- Fidelis Care
- HealthFirst
- MetroPlus
- United Healthcare

Every health plan in the Marketplace offers the same set of **10 Essential Health Benefits**, including the following:

1. Outpatient care — the kind you get without being admitted to a hospital
2. Trips to the emergency room
3. Treatment in the hospital for inpatient care
4. Care before and after your baby is born
5. Mental health and substance use disorder services. This includes behavioral health treatment, counseling, and psychotherapy.
6. Your prescription drugs
7. Services and devices to help you recover if you are injured, or have a disability or chronic condition. This includes physical and occupational therapy, speech-language pathology, psychiatric rehabilitation, and more.
8. Your lab tests
9. Preventive services including counseling, screenings, and vaccines to keep you healthy and care for managing a chronic disease.
10. Pediatric services — This includes dental care and vision care for kids

You can compare plans based on price, benefits, quality, and other features important to you before you make a choice.
